Looking Back to Move Forward

Our Business

Founded in 2002 in Atlanta, Georgia, SankofaSpirit has quickly become one of the country's most dynamic and relevant cultural organizations. We are dedicated to providing cultural and educational programs and services that focus on Africa and the African Diaspora.

Who We Are

Theresa Noni Charles, Executive Director/Founder

Theresa Charles received her African centered foundation in Chicago starting as a pre-schooler at the Shule Ya Watoto (School for Children) followed by African centered elementary and middle school. The foundation was cemented not only within the community but at home.

After graduating from Clark Atlanta University with a B.A. in Marketing and Management, Theresa started an event production company that created and produced three Afrocentric bridal shows in Chicago.

While completing her event management program at George Washington University, she took a cultural heritage tourism class that peaked her interest in traveling abroad. She then co-organized a Rites of Passage Research Study Tour to Ghana, West Africa in 1999.

From these experiences Theresa founded SankofaSpirit in 2002 dedicated to providing cultural and educational programs and services focused on Africa and the African Diaspora.
